

Alpha Lipid™ Colostrum Essence Concentrated Revitalising Face Mask

A beauty treatment like no other.

Benefits:

Our rejuvenating mask, inspired by New Zealand Colostrum, offers a beauty treatment that saturates your skin with a proprietary blend of New Zealand Alpha Lipid™ Colostrum, Oligo Fucoidan Fucoskin™, Beta Glucan, Co-Enzyme Q10 and Gold Kiwi Extra.

Formulated without parabens, sulfates and phthalates.

Soothing, natural TENCEL® mask saturates your skin with an immediate cooling sensation, leaving it feeling clean, hydrated, refreshed and more radiant.

Key Active Ingredients:

Our EXCLUSIVE blend of ingredients work synergistically to bring you a more radiant, youthful complexion.

- **Alpha Lipid™ Colostrum:** Powerful actives promote the appearance of revitalised, hydrated skin. Slows the aging process.
- **Co-Enzyme Q10:** A formidable antioxidant, CoQ10 boosts skin repair and regeneration, reducing free radical damage.
- **Beta Glucan:** Tiny molecules penetrate deeply into the skin to produce significant reduction of wrinkles, visibly improving skin texture.
- **FucoSkin™:** Nutrient-packed brown seaweed boosts cellular growth to reduce the depth of wrinkles and significantly improves the skin's moisture levels.
- **Gold Kiwi Extract:** Activates collagen, plumping up the skin, leaving a firmer, smoother complexion.
- **Deep Sea Water:** containing an abundance of natural minerals like magnesium, calcium and potassium, all essential for a younger, healthier looking skin.

How to use:

Apply to cleansed face, leave and relax for 15 minutes.

Remove mask and gently massage the essence serum into the skin.

Suitable for all skin types
